WHERE YOU'RE HEADED

We're here for where you're going

Grow in Asia

You're expanding into Asia - and you need a partner who's already there.

Lead in ETFs + Digital

Your ETFs and digital funds are your edge. They deserve a platform built for them.

OUR PROMISE

Your current provider services your products

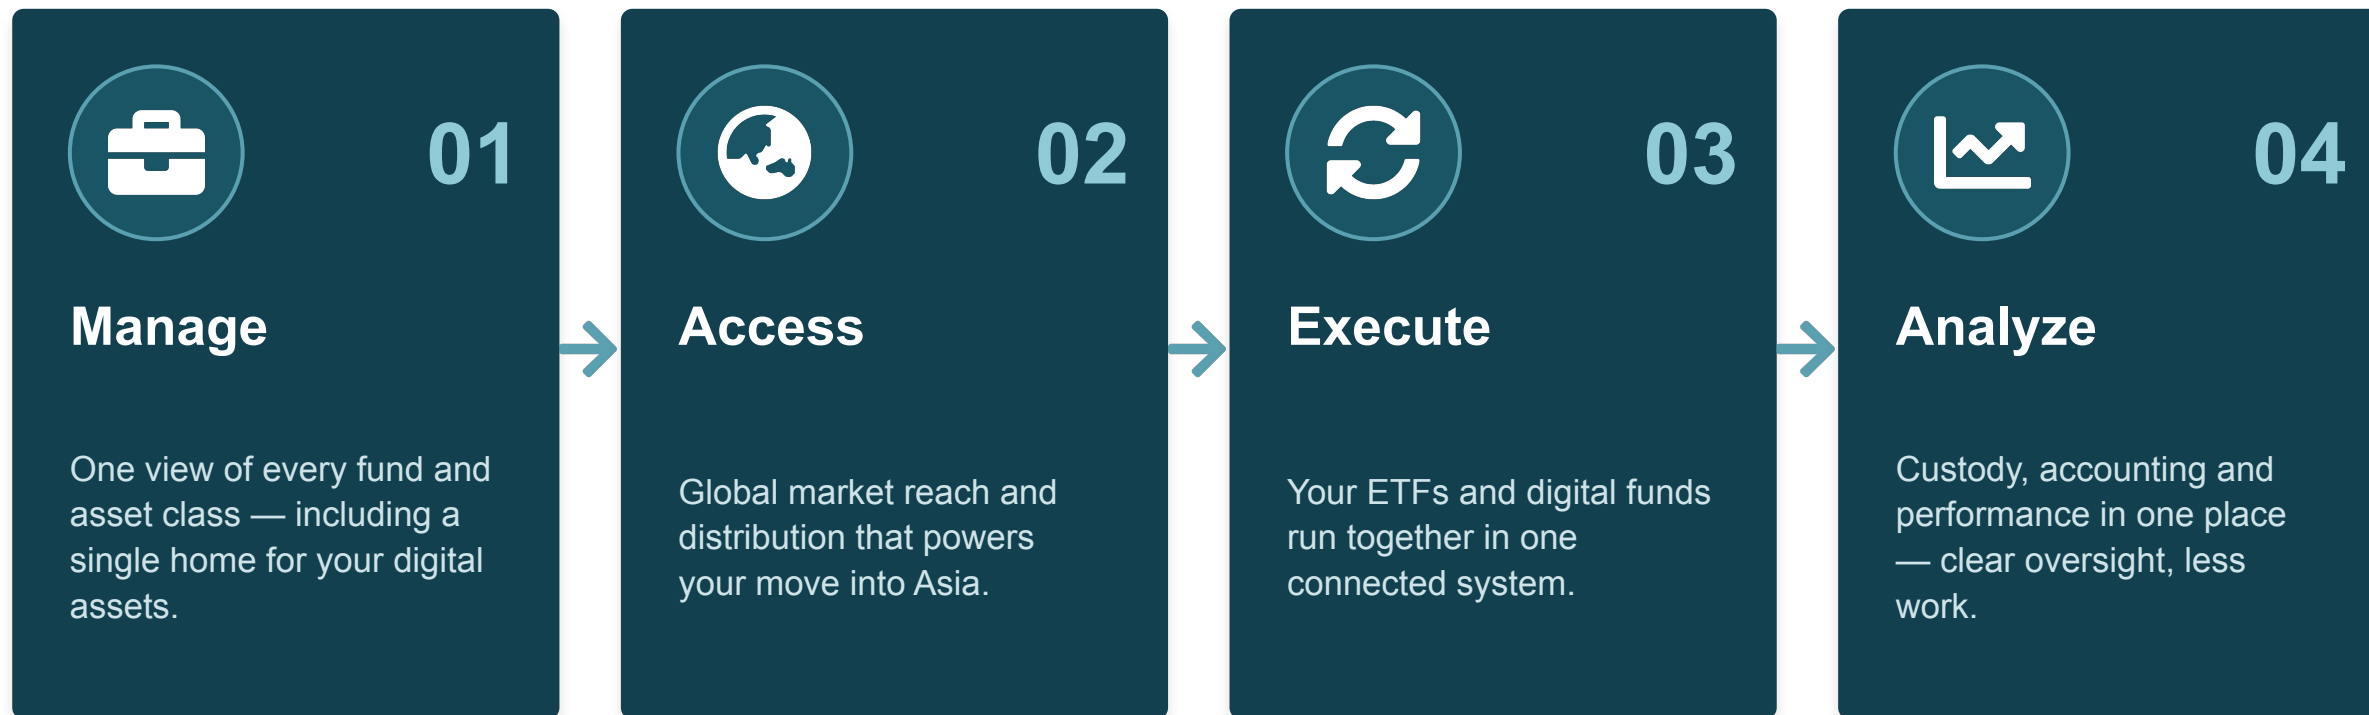

**We'll serve your whole business —
on one platform built to grow with
you**

Less complexity. More room to grow.

OUR SOLUTION

What we'd build for you

Everything you need, working as one — and it all moves with you as you grow.

Growing with you in Asia

Local on the ground

Custody and sub-custody across key Asian markets — no new providers to manage.

List where you grow

ETF and fund support for cross-listing as you launch in new markets.

Rules handled for you

We navigate local regulation and reporting so your team can focus on investing.

One operating model that follows you into every new market — **you expand, we extend.**

YOUR DIGITAL EDGE

Made for ETFs and digital funds

One home for digital assets

Safekeeping, servicing and management of digital assets on a single platform.

Traditional + digital, together

Your ETFs and digital funds run side by side in one connected system.

Ready for what's next

Tokenized funds and new products supported as your lineup evolves.
